RURAL SCHOOL SCHOLARSHIP

Sponsored by Washington Mutual Bank

Application Form

The Edward Teller Education Center offers teachers from rural schools a scholarship to attend professional development programs through a sponsorship from the *Washington Mutual Bank Foundation*. Scholarships are awarded to defray travel expenses (lodging, meals, mileage) for rural teachers and provide for equal access to professional development. Stipends are awarded upon completion of the professional development activity. Scholarships are limited to rural school teachers from *California* (please see your site administration to determine qualification as a rural school). Teachers may apply for only 1 scholarship during this application period. Deadline for applications is *May 30, 2003*. Acceptance is on a first-come-first served basis. All applicants will be notified via e-mail or phone by **June 1**st.
